1. Introduction

Traders Trust Limited (hereinafter referred as the “Company”) is responsible for the protection of privacy and the safeguarding of clients’ personal and financial information. By opening a trading account with the Company, the client hereby gives its consent to such collection, processing, storage and use of personal information as explained below. Traders Trust Limited is a company regulated as a Securities Dealer by the Financial Services Authority of Seychelles with licence number SD141.

1. Collection of Personal Data

During the account opening process for a demo or a trading account, the client is requested to provide the Company some personal information. The provision of the information submitted by the Client will enable the Company to evaluate the application pursuant to the applicable laws and regulations governing the provision of the services. The same information will also be used by the Company to contact the client regarding the offered services.

The Personal Data collected by the Company might include the client’s name, surname, address, e-mail address, phone number; date of birth, gender, nationality; occupation and employment details; financial information such as income, assets and net worth, source of funds; tax relevant information; IP address and other location data; bank account information, e-wallets and credit card details; documents that the client has to provide for verification of its identity, such as passport/identity card, utility bills and/or bank statement and historical data of client’s transactions including, trading history or investments company incorporation details and other supporting documents if the applicant is a legal entity.

2. Basis of the Collection of Personal Data

The Company collects and process personal data which are required for the evaluation, establishment and maintenance of the contractual relationship between the Company and the Client. In some cases, the Company may also process the client’s personal data to pursue its legitimate interests or those of third parties, provided that the Clients’ interests and fundamental rights are not overridden by those of the Company or the third party.

In view of the above, the Company may use client’s personal information for one or more of the following purposes to confirm/verify its identity; to process transactions; trading account management; for internal business as well as record keeping purposes; to analyse statistical data; to identify, assess, mitigate, prevent and investigate fraudulent activity of any kind that is forbidden by the relevant legislation; to defend possible legal claims and/or comply with court orders, judicial processes and or any other requirements of a competent authority;

The Company also needs to comply with the Anti-Money Laundering regulations therefore there are documents that must be kept by the Company to demonstrate to the authorities that it have acted in accordance with the applicable legislation.

If there is no lawful basis, for the usage of client’s personal data as indicated above, the client’s consent will be required.

3. Collected Data and purpose

The Company will collect and process the following personal information about the Client:

- Personal information provided during account opening procedure when the Client fills the application or other forms on the Company’s website. The information may include the Client’s name, address, contact details, financial information about your income and wealth, professional and employment details, trading history and other personal information.
- Information about the Client’s use of this website and the Company’s platform. This information may include site areas visited, pages viewed, frequency and duration of visits
- Subject to Applicable Regulations, the Company will monitor and record the Client’s calls, emails, text messages and other communication for regulatory compliance, crime prevention and detection, to protect the security of communications systems and procedures, for quality control and staff training etc.

The Company will also monitor activities on the Client' account where necessary for these reasons and this is justified by the Company's legitimate interests or legal obligations.

Usage of Information: The Company may use information for the following purposes (list not exhaustive):

- Provision of the Services under this Agreement
- For KYC and due diligence purposes i.e verification of identity
- For maintenance and management of the Client's account as well as administration of the services provided to the Client
- Communication with the Client when necessary or appropriate
- Compliance with legal and regulatory requirements

4. Retention period

The Company will keep your personal information on record for a period of at least seven (7) years from last execution of any transactions or termination of the business relationship. Subject to this, when we consider information is no longer needed, we will remove any personal details that can identify you or we will securely destroy the above-mentioned records.

5. Sharing and Transfer of Personal Information

The Company may share client information with business partners and suppliers with whom it may have outsourced certain of the Company's business functions or cooperating with. In order to provide services to the client the Company may be required to transfer client's personal information to parties located outside of Seychelles i.e. in the European Economic Area or in countries which may not have an equivalent level of data protection laws as in the EU. Where this is the case the Company will take reasonable steps to ensure the privacy of the client's information. By submitting personal information, the client agrees to the aforesaid transfer, storage and processing of the client's information.

The Company may also share information with affiliates or any other company in the same group of the Company in the event such information is reasonably required in order to provide the products or services to its clients. The Company may share information with partners, affiliates and associates in order to offer additional similar products and services that meet clients' needs and which are delivered in a manner that is useful and relevant only where clients have authorized the Company to do so. In cases where clients have been introduced by a Business Introducer, such Business Introducer may have access to clients' information. Hence, clients hereby consent to the sharing of information with such Business Introducer.

All third parties with which the Company shares personal information are required to protect such personal information in accordance with all relevant legislation and in a manner similar to the way the Company protects the same. The Company will not share personal information with third parties which it considers will not provide its clients the required level of protection.

6. Disclosure of Personal Data

The Company shall not disclose to a third party, any confidential information unless it is required to do so by a regulatory authority of a competent jurisdiction, the provisions of applicable laws and regulations, there is a legitimate interest for such disclosure or duty to do so the client has requested from the Company to proceed with a disclosure and/or the client has consented to; such disclosure shall occur on a 'need-to know' basis, unless otherwise instructed by a regulatory authority. Provided that such disclosure takes place, the Company shall expressly inform the third party regarding the confidential nature of the information.

7. Cookies

The Company uses cookies to gather information about client's access to the Company's website <https://traders-trust.com> and other services the Company provides to the client.

The Company may share web site usage statistics with reputable advertising companies and with its affiliated companies. It is noted that the information collected by such companies is not personally identifiable. To administer and improve the services offered by the Company's website, the Company may use third parties to track and analyse usage and statistical volume information. The third party may use cookies to track behaviour and may set cookies on behalf of the Company. These cookies do not contain any personally identifiable information.

Most internet browsers are set up to accept cookies. If the client does not wish to receive cookies, he/she may be able to change the settings of the browser to refuse cookies or have the choice whether to accept a cookie or not. However, it is strongly recommended that the client allows cookies on the Company's website to ensure he/she has the best possible experience. Turning off cookies may result in reduced performance of the website and trading platform and may also impair the quality of the services that the Company provides in relation to the client's trading account.

8. Amendments to Policy

The Company reserves the right to make changes to this Privacy Policy from time to time for any reason and the client will be notified of such changes by posting an updated version of this Privacy Policy on the website. The client is responsible for regularly reviewing this Privacy Policy and the use of this website after any such changes are published, shall constitute an agreement to such changes.

9. Legal Disclaimer

The Company will not be liable for misuse or loss of personal information resulting from cookies on the Company's site(s) that the Company does not have access to or control over. The Company will not be liable for unlawful or unauthorized use of client's personal information due to misuse or misplacement of any passwords, negligent or malicious.
